FAQs

WHAT STATIONERY DO WE NEED?

Some are nice to have, some are necessities. The full range of stationery includes: Save the dates, invitations (+ extra details and a way for guests to RSVP), table plan, welcome sign, order of the day, unplugged ceremony, guest book sign, place cards, menus & table numbers.

WHEN SHOULD WE BOOK OUR STATIONERY?

Save the dates can be designed and sent as soon as you have set the big day.

Invitations need to go out about 6 months before the wedding and day stationery is finalised 4-6 weeks before.

However, as with your other suppliers, we are booked out well in advance (up to 1 year before) so it's always best to plan in advance by booking in a consultation for bespoke stationery.

HOW MANY INVITATIONS DO WE NEED?

One per household, not per guest. It is highly recommended to order 5 extra just in case.

DO YOU HAVE A MINIMUM SPEND?

No, not on the Signature Collection. However, there is a minimum quantity of 20 per item.

CAN WE ADD ON DAY STATIONERY LATER?

Yes absolutely! With the signature collection, whenever you're ready to purchase. However, it must be at least 6 weeks before your wedding.

DO YOU PROVIDE JUST DAY STATIONERY?

Yes absolutely, if you've already done your invitations, I can just provide day stationery.
